

# DYNASTY BOTANIQUE

## The royal elixir of youth

DEEP HYDRATION  
SKIN RECOVERY  
YOUTH ACTIVATION

# ORANGE HYDROSOL

A tender mist of citrus delight. Orange hydrosol gently soothes the skin, reduces redness, and boosts natural radiance. Rich in antioxidants, it refreshes tired complexions and uplifts the mood with its delicate scent. Perfect as a daily toner for dull or sensitive skin.

Awakens and tones the skin with a kiss of sunlight.

# GRAPEFRUIT ESSENTIAL OIL

Zesty and invigorating, grapefruit essential oil energizes the senses and revitalizes the skin. It tones, detoxifies, reduces puffiness, and balances sebum production. Skin appears firmer, fresher, and more radiant. Its aroma lifts the mood and restores mental clarity.

Perfect for oily, tired, or lackluster skin needing a detox boost.

# SWEET ORANGE E SSENTIAL OIL

Sweet orange essential oil is pure sunshine in a bottle. Its bright, citrusy scent uplifts the mood and melts away stress, while its active compounds gently tone, refresh, and brighten the complexion. It stimulates circulation, enhances elasticity, and promotes a radiant glow. Perfect for dull, tired, or emotionally stressed skin in need of revitalization.

# WITCH HAZEL HYDROSOL

Witch Hazel hydrosol is a natural astringent with gentle toning power. It visibly tightens pores, reduces redness, balances oil production, and refreshes the skin without dryness. Perfect for combination, oily, or blemish-prone skin — and still delicate enough for sensitive complexions.

*Experience pure clarity, calm, and natural radiance.*

# ARNICA OIL

Arnica oil is nature's remedy in a bottle. Renowned for its anti-inflammatory and circulatory-boosting properties, it helps reduce puffiness, soothe irritation, and accelerate skin recovery. Perfect for tired, reactive, or delicate skin in need of regeneration. Rich in flavonoids, arnica gently strengthens and restores skin vitality. *Ideal for calming inflammation, soothing sensitive skin, and improving capillary strength.*

# CALENDULA OIL

Calendula oil is sunshine in a bottle. Known for its remarkable anti-inflammatory and healing effects, it soothes irritation, nourishes dry skin, and promotes faster recovery. Gentle enough for babies and sensitive skin types, yet powerful in restoring softness, balance, and natural protection. An *ideal remedy for delicate, irritated, or allergy-prone skin.*

# JOJOBA OIL

Jojoba oil is nature's closest match to our skin's own sebum. Lightweight, non-comedogenic, and deeply nourishing, it hydrates without clogging pores, balances oil production, and calms irritation. With its naturally rich vitamin E content, it supports elasticity and smooth, radiant skin.  
*Perfect for dry, oily, sensitive, or acne-prone skin.*

# ALMOND OIL

Almond oil is pure, nourishing softness. Rich in vitamins A and E, it soothes dryness, smooths texture, and leaves the skin velvety and radiant. Its light, silky texture absorbs easily, restoring elasticity and reinforcing the skin's natural barrier — without greasiness.

*Perfect for dry, sensitive, or tired skin in need of deep care.*

# VITAMIN E (TOCOPHEROL)

Vitamin E is the ultimate antioxidant shield. It protects the skin from oxidative stress and premature aging while deeply nourishing and softening. It restores glow, improves elasticity, and accelerates regeneration. Tocopherol also enhances the effectiveness of other active ingredients, making it a vital part of any nourishing formula. *Perfect for dry, sensitive, mature, or stressed skin in need of repair.*

# OLIVOIL EMULSIFIER

Olivoil is a natural olive-oil-derived emulsifier that gently binds water and oils into a smooth, stable cream. It enhances skin compatibility, supports hydration, and improves absorption of active ingredients. Lightweight, non-greasy, and kind to even the most delicate skin — it delivers a luxurious feel and lasting comfort. *Perfect for sensitive, dry, or easily reactive skin.*

# HYALURONIC ACID

Hyaluronic acid is deep hydration in its purest form. With the ability to hold up to 1,000 times its weight in water, it delivers intense moisture, plumps fine lines, and restores a radiant, dewy glow. Instantly absorbed, it enhances elasticity and gives the skin a visibly fresher, smoother appearance. Perfect for dehydrated, tired, or aging skin craving a hydration boost.

# PEPTIDES

Peptides are intelligent messengers that awaken the skin's natural rejuvenation process. They stimulate collagen and elastin production, improve firmness, refine texture, and visibly smooth fine lines. Like tiny bio-signals, peptides teach your skin to behave younger, firmer, and more vibrant. *Perfect for mature, dull, or weakened skin in need of a cellular boost.*

# CERAMIDES

Ceramides are the skin's natural shield — lipids that hold the barrier together. They lock in moisture, prevent transepidermal water loss, and protect against environmental aggressors. When the skin feels dry, tight, or sensitized, ceramides bring it back to calm, resilience, and lasting hydration.

*Perfect for dry, sensitive, barrier-compromised or mature skin.*

Ceramides are the skin's natural shield — lipids that hold the barrier together. They lock in moisture, prevent transepidermal water loss, and protect against environmental aggressors. When the skin feels dry, tight, or sensitized, ceramides bring it back to calm, resilience, and lasting hydration.

COLLAGEN

# BEESWAX

Beeswax is nature's protective veil. It forms a breathable barrier on the skin, locking in moisture while shielding against dryness, wind, and environmental stress. Rich in healing and anti-inflammatory properties, it soothes irritation and helps regenerate damaged skin. With its subtle honey scent, beeswax wraps your skin in warmth and care. Perfect for dry, chapped, or sensitive skin needing long-lasting protection.

# UV-C+E

A sun shield for your skin. This powerful combination of photostable vitamins C and E helps neutralize free radicals, reduce pigmentation, and stimulate collagen production. It protects against harmful UV rays and gives the skin a radiant glow. Perfect for daily skincare in sunny climates.

# KEM DHA

Reliable protection from nature. KEM DHA is a gentle yet effective plant-based preservative that shields your cream from microbes, mold, and bacteria. It keeps the formula fresh and safe, preserving its power and natural energy until the very last drop.

## HOW TO USE:

Apply to cleansed skin of the face and neck in the morning and evening using gentle massage movements until fully absorbed.

For enhanced results, apply to slightly damp skin or after toning. Use daily.  
Suitable for long-term use.

## SUITABLE FOR:

All skin types, including sensitive.

Ideal after the age of 30 — when the skin starts to lose elasticity and moisture. Especially recommended for the first signs of aging, dehydration, dullness, and stressed skin.

100% natural formula free from silicones, parabens, and mineral oils. Not tested on animals.

## SHelf Life:

3 months after opening.

Thanks to its natural composition and minimal use of preservatives, the cream is highly active and sensitive to temperature changes.

Occasionally, small air bubbles may appear after removing the product from the refrigerator.

This is a natural process caused by the high concentration of active ingredients and the clean formula. It does not affect the quality or safety of the cream. The product is made primarily for ourselves and our family — without unnecessary chemicals already overflowing store shelves.

## STORAGE CONDITIONS:

Store in the refrigerator at +4°C to +8°C.  
Avoid direct sunlight.

HANDMADE IN SMALL  
BATCHES OF 500 ML.
